

## COBALT MAKES GOOD

Winner in Dunton Stakes  
Runs Close to Record.

## BRADY SHOWS BAD FORM

McCarthy's Mount Breeds in a Length and a Half in Front of  
Berry Maid, Who Gets a Bad Ride  
from Shilling-Cymbal Blows Up in  
the Fifth and Seethus Gets Money.

New York, May 4.—King Cobalt made a splendid impression on turfmen at Jamaica today, when he won the Dunton Stakes for three-year-olds, breezing in 1:21-5, one-fifth of a second behind the track record for six furlongs.

King Cobalt carried weight to all of the other starters. He was backed from 6 down to 5, and when the barrier went up to an excellent start he rushed out for a short but decisive deal with James B. Brady, 12-to-5 favorite. Brady had terrific speed, but in the first quarter of a mile King Cobalt ran his eyeballs out and made him quit like the selling paper.

After that, Cobalt cut out a killing pace, and he got such a commanding lead when he got into the stretch that little McCarthy could not hope to win by a length and a half from Berry Maid, who received a bad ride from Shilling. Masque, an added starter, was short of work. Brady quit cold in the last quarter and was last.

Castlewold, backed from 6 to 2, made all the running in the mile and a sixteenth, and won as he pleased by three lengths.

Queen Marguerite showed the way in the first race, and James R. Keene's St. Withold won the second, beating Father Stafford by a head in a fierce drive.

After leading for nearly a mile in the fifth race, Cymbal blew up. Then Seethus, 3 to 1, took command and won rather easily.

Four favorites were beaten. The weather and track conditions were well-nigh perfect.

**DOYLE GETS HANDICAP.**  
Favorite Captures Hard Ridden  
Event at Pinlicko.

Baltimore, May 4.—The New Howard Handicap was won at Pinlicko by Martin Doyle, the favorite, and only after a hard drive down the stretch with Superstition, the former winning only by a short stride.

At the rise of the barrier, Superstition went to the front, with Trackless second and Simple Honours third. In these positions the horses rounded into the stretch. Hardy, who rode Martin Doyle, had no trouble in gaining second place. He found it a difficult proposition to overtake Superstition, Murphy, on the latter, using the whip freely. The gelding responded nobly with the necessary speed, winning in the last stride.

**TURF MEN BOUGHT VOTES.**  
New York, May 4.—Senators who voted against the passage of the anti-betting bill are in no pleasant frame of mind today following the denunciations of their action at a mass meeting which filled the Tompkins Avenue Congregational Church, Brooklyn, which bribery was used to beat the bill. A committee was appointed to attend the mass meeting of protest in Carnegie Hall to-morrow evening. The action of Senators Gilchrist, Hasenpflug, McCarran, Cullen, and Thompson was condemned.

James B. Creighton, secretary of the Men's Association, who presided over the meeting, said he was informed that \$250,000 had been used to beat the bill, and that one Brooklyn senator got \$15,000 of this sum for his vote.

## TOO COLD FOR SCHOOLS.

Studies Resumed in Only One of  
Closed Buildings.

Studies resumed yesterday in only one of the twelve school buildings closed Friday on account of the cold and the refusal of Chief Belt to allow fires to be started in the furnaces.

At the Hyde School, owing to repairs having been made, a fire was started and the children attended classes.

At the other eleven schools the children were dismissed when they assembled for the morning classes. The temperature in the rooms was less than 60.

Capt. James F. Oyster, of the board of education, said yesterday classes would not be resumed in the remaining eleven schools until the weather moderates. The furnaces will not be repaired this year, it is said, and until the weather becomes warmer the children will not attend school.

This does not mean, a member of the board of education said, that they must not report to the schoolroom. They may be decided whether the rooms are sufficiently warm.
